for currency was beginning to stir in preparation for moving the coming crops. The hardening of discount rates abroad is beginning to prove a perceptible drag on speculative movements there. An advance in the price of copper metal failed to bring the copper industrials. The bears operated timidly in fear of the demonstrated power of the bull leadership, and it was not until the end of the day that they attacked the market with any boldness Prices gave way all round in the last half hour.

A Drink for the Table

When you find a beverage that contains a considerable amount of food value itself and one that will accelerate the digestion of solid food, you have found an ideal table drink.

Such a Beverage is Fisher Beer

Tea and coffee suffer greatly by comparison. They contain no food value. Their use is highly injurious to many. For the latter reason there are several substitutes for coffee on the market. By reason of its food value and its digestion-aiding quality, Fisher

LADIES' RATINGS

A lady came to town the other day, who was worth sixty thousand dollars, but nobody knew it. If she had not told us where she came from and who she was, we might not have known it for some time. As it is, we can tell every merchant who is a member of this association. There are many good people coming to town and more in the future than in the past. We good people coming to town and more in the future than in the past. We invite all to see us and tell us who they are and where they are from, so that we can give them a good rating. Information given to this office is strictly confidential. It is better to tell us and let us know than to wait, as it is our business to tell those who are entitled to information. Up-to-date merchants want to know of you. We are preparing our new rating book.

are preparing our new rating book. RATINGS.

A-Pays prompt.
B-Good, but not prompt.
C-Slow, too slow.
